

## **Accessibility Statement**

Unfortunately, Rose Cottage is unsuitable for full time wheelchair users. The building is more than 400 years old with thick stone walls and many original features including narrow doorways, oddly-shaped rooms, low ceilings and uneven floors, as you would expect in a building of that age and character. The bathroom/WC and bedrooms are on the first floor, which is accessed by a flight of stairs (no lift).

We do not accept pets, but if you wish to bring your Assistance Dog, please contact us to discuss your requirements.

Please contact us to discuss any requests or requirements that we may be able to assist with and we will endeavour to accommodate.
